Current item up for trade: 3 Boxes of Tech & Gear plus a Voucher for an 'Off-the-Grid' Lifestyle

Change your stagnant, office-bound life for a more mobile, flexible lifestyle with these three bundles of gadgets (all tech & gear shown in the photo!).

(I'll even throw in a **Breakthrough Coaching session** if you need a change in Mindset too!)

Overview of Tech & Gear:

Box 1. The Mobile Office

This bundle has everything you need for a virtual office that goes where you go, because your office is wherever you are. If you want to work from your home, a café, a mountain top, the airport, your car, or any other moving target, then these accessories are for you. It includes covers for smartphones and stands for iPads, a dualsync cable, stylus pens, car cup holder mount, tripods and stands for phones and cameras for teleconferencing, notebook speakers, Bluetooth headset, adapter lightning to USB cable and 7 port USB hub. Plus the awesome PowerGorilla solar panel for all your charging needs, and Jabro Revo headphones. Carry it all in a STM bag.

Box 2. The Outdoor Enthusiast

Get active and adventurous with these accessories, including more hardy phone cases, keysync cable as your key ring, more tripods and stands, wireless earbuds, Runtastic heart rate monitor and armband. Also a Powermonkey Explorer Solar Panel for outdoor charging of your devices, and another Jabro headphone. Plus a STM sleeve to keep your tablet safe.

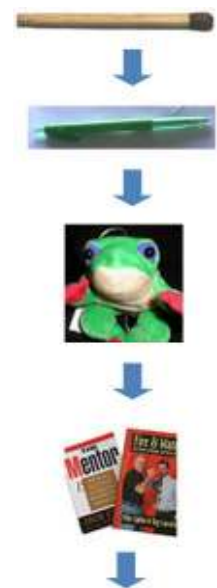

****NEW ADDITION** to this box is the Big 5 Photos **Wildlife Photography Master Class Voucher****

Box 3. The Night Time Warrior

From the glow in the dark iPhone case and docking stand, to the Joby Gorilla torch, you're even set for night time explorations. A mini Gorilla solar panel to power up devices, another Bluetooth headset and a magnetic tripod, amongst more covers, cables, and another Jabra headset too. As well as another STM sleeve to keep your tablet safe.

You?

What's excluded:

All you need to do is add the following for your 'Off the Grid' Lifestyle to be complete:

- Your Smartphone, tablet, laptop and camera
- Your internet connection
- Your adventurous and free spirit

Next Step:

So to have your 'Off the Grid' Lifestyle, **make me an offer!**

What would you trade with me for having these 3 boxes for the active, on-the-go, adventure seeking and professional lifestyle you dream of, where you get to work and play, spend time with loved ones and make those big deals?

Think of any item/ skill / experience / service you could offer that would be a fair swop for this item...

I'll even consider an offer for just ONE of the THREE boxes!!
(which means I could trade with three people for this current onematchstick item!)

Get in touch with me and let's chat.

I'll then give you all the specifics on the tech that will move with your pace of life, and we can work out a deal... on-the-go... wherever you and I are.
